

Nissan Forklift

Nissan prides itself on attaining complete customer fulfillment when their customer is enjoying one of their countless trucks, cars or forklifts. Nissan Forklift branch is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are fully committed to delivering high value and meticulous quality values to their customers. Incorporating a prosperous heritage combined with solid manufacturing principals, Nissan lift trucks provide a few of the finest materials handling equipment the industry has to offer.

In order to meet the worldwide needs of their diverse customer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to delivering customer support, the company has four independent production facilities that permit them to persistently adapt to their customers continually evolving wishes by offering a variety of progressive ideas and concepts.

Nissan Forklift operations for North and South America is based in Marengo, Illinois. Home to a team of 350 personnel, they are committed to the design, fashioning, and support of their lift truck products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this enables sectors of the Nissan Forklift Operation to maintain environmental accountability by using methods and procedures that lessen their environmental footprint. These high values remind customers that Nissan operates under the quality seal that their consumers insist upon whilst being an environmentally responsive corporation.

Nissan is fairly certain that any of their clients queries and client considerations directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, reaching one of their locally endorsed sellers or even going to their Midwestern facility, Nissan Forklift Corporation is certain you will be impressed with their warmth and dedication.
