

## Genie Forklift

Genie is a globally predictable corporation that enjoys the spirit of collaboration with their sizable network of allied customers. Genie Industries prides itself on the idea of bringing materials and people higher and extending further beyond the products they produce. Genie Industries strives to help clientele erect their business no matter how large or small the level of undertaking may be.

In 1996, with the introduction of the Genie Hoist, which is a pneumatic, transportable materials lift spawned the beginning of Genie Industries. A succession of aerial work platforms and other materials lift trucks followed to meet customer demand. These progressive products secured global acknowledgment and established contemporary product design.

Genie Industries is currently a subsidiary of Terex Corporation. Preserving leading quality production and uncompromising service and support are among their highest priorities. With clients from Helsinki to Hong Kong and Denver to Dubai requesting the unique blue coloured forklifts on the jobsite, the business is confidently grounded in their exceptional client service and values.

Acknowledging that their customers are their greatest motivation, the team at Genie Industries are individually committed to offering expertise and maintaining customer rapport.

The reliable team is fully committed to greener, more environmentally practical possibilities to develop the products that consumers want. Genie Industries focuses on "lean manufacturing" practices in order to help limit waste while producing very high quality forklifts in the shortest time period at the lowest feasible expense for the customer. The team at Genie Industries is proud to serve the industry and this is reflected in every product they design. Always inviting client contribution helps them to manufacture and cultivate modern new products that are simple to service and operate, deliver optimum value-for-cost and satisfy global standards. Thriving on customer criticism helps Genie Industries to persistently evolve and meet the consumers' needs.

Genie's service professionals are eagerly available to offer solutions to the questions you may have in order to keep you fully operational. Their vast parts network will promptly ship parts to guarantee their customers' equipment are operating effectively. Every product comes backed by a competitive and reliable warranty.

Genie Industries prides itself on customer success. They build and service their goods to boost performance and uptime on the job. Offering on-going education opportunities, to marketing support to flexible financing possibilities, Genie Industries gives their customers the resources to get the most out of their investment.
